NOTES AND PRECIS.

Balakrishnan is the only possibility in this office. I would much prefer to keep him. But if he is willing to go on these terms I will give him a strong recommendation. But in his own interests, before he goes, I would like to firm up definitely what will happen when it gets to his turn to go onto the Rs 100-150 grade in this office. People going outside the office are apt to suffer when their turn comes for promotion in the office. If he prefers not to go, I do not intend to put any pressure on him to go A.S. may show him this note: & will A.S. please consider the question

1. I have spoken to Mr. Balakrishnan. He is willing to go and if Mr. Green is prepared to accept him we may release* him subject to the following:

(a) in the event of retrocession he is given the option to revert to this office.

(b) in the event of a long vacancy occurring in this Office, and if he is the next for promotion, he is given the option to revert.

*temporarily

(over 6 months). His name will be considered every time there is a vacancy to which he is eligible.

2. He may be given a lien on his permanent post here for a period of at least three years in the first instance.

3. Mr. Balakrishnan is entitled, if appointed, to the old scale of pay viz. Rs.75-4-115-5-150.

Agreed.

I wish to record that Balakrishnan is not to go into the Rs 100-150 grade when his turn comes.

7. Since Mr. Robertson is to be on training, I think th case should appropriately be dealt with under F.Rs.9(6)(b), 20 & 36 and the approval of the Political Department taken to treat him as on duty during the period of training, to the pay and allowances to be granted to him and to the appointment of a substitute in his place there being no delegation to the Resident under F.Rs. 9(6)(b) and 36.

8. I discussed the case with the Commissioner of Police, and his intention is that, if possible, Mr.Robertson should not lose in emoluments i.e. he should get his full pay including

including Special pays he is now in receipt of plus rent free quarters during the period of his training and that the substitute also should get the Special pay as Confidential Assistant and free quarters or house rent allowance.

14 The position now is that Mr. Balakrishnan reported for duty on 4/9/39 a.m.

15 Mr. Robertson will be relieved by present Military Duty as from 9/9/39 p.m.

16 The only question now is the period from 4/9/39 to 9/9/39 is to be treated.

17 Actually Mr. Robertson has continued to deal with Foreigners' Registration, getting all the Provincial Registers up to date ready to hand over, and in general, handing over confidential papers. He has had more than a full day's work, & should not lose in pay.

18 Mr. Balakrishnan too has had a very full day's work in connection with war measures & is entitled to his full pay. Perhaps the latter could be treated as still on duty in the Police only for this period?

7/9/39.

19 In the circumstances stated by the Commr. of Police Mr. Balakrishnan may be deemed to have been on duty in R.C. up to the 9th.

No substitute in his place has been appointed.

22 According to the original proposal it was proposed to appoint Mr. Balakrishnan as a supernumerary Sub-Inspector to act as Confl..Asst. to the Commr. of Police and to give him the minimum pay of the post i.e. Rs.75/- and also the special pay of Rs. 20/- attached to it, in addition to free quarters or a house rent allowance at Rs. 16/- per mensem till he would be absorbed in the permanent strength on the retirement of Inspector Roberts on 25th October 1939. The Pol.

Dept.in their express letter No. F.12(3)-E/39, dated the 1st September 1939, sanctioned inter alia this proposal.

23 Now the position has changed as Sub-Inspector Robertson instead of undergoing training for Inspector's place has proceeded on military duty from the 10th September 1939.

24 Mr. Balakrishnan was drawing pay in this office at -- Rs. 74/- per mensem in the scale of 35-3-80-4-100 with effect from the 26th June 1939. If he had remained here he would - have got his next increment of Rs. 3/- on the 26th June 1940 i.e. Rs. 77/-. He requests that his initial substantive -- pay in the police office may be fixed at Rs. 80/- in the -- scale of Rs. 75-4-115-5-150. If his request is to be -- granted, it is within the powers of the Resident to fix his pay in the above scale at any stage- vide Fundamental Rule 27. As Rs. 80/- does not fit into this scale, if approved, he may be started on Rs. 79/- with effect from the 10th September 1939 i.e. granting one advance increment of Rs.4/-

Office of the Commissioner of Police,

Aug. 12th 1939.

My dear Trevelyan

Referring to our conversation yesterday about Inspr. Roberts' retirement and consequent changes, I find the position is as follows. Roberts is due to go on Oct.25th. Robertson, my Conf. Asst., is the next for promotion. I understood from Milton that he thought there was not really any good reason to hold up Robertson's promotion any longer, and so I intend recommending that things should follow their normal course.

Then as regards replacement of my C.A., as I said to you yesterday, what I really want is a thoroughly reliable clerk with shorthand and typewriting. I have other S.Is. on the establishment to do the outdoor work and the C.A. has practically none of that to do. Robertson is now on the pay * scale Rs.70-10/2-130, as a Sub-Inspector. In addition he gets two allowances of Rs.20 each and free quarters or Rs.16 house rent.

* NEW
old. 75-4-115-5-150.

My proposal would be that if you could find me a suitable man, he should come over to me as Sub-Inspector on a probationery or temporary basis in the first instance, on this same scale, starting at such stage as may be considered proper, and should draw one allowance of Rs. 20 as Conf. Asst. and get free house or house rent. This would in effect give him a scale of Rs.106-10/2- 166., though of course not all this would count for pension. I think this fairly well agrees with what you thought fitting.

The other Rs.20 allowance I would suspend and finally use for other purposes that I have in view.

It is rather important to get this matter fixed up as Robertson should go out to a Police Stationas soon as possible to get some working

SIR,

I have the honour to report that Inspector Mr. G.A. Roberts is due to retire, after two extensions of service, on October 25th 1939.

2. The senior Sub-Inspector on my list is B. Subbaraya Sastry. He has had 1 reduction, 1 censure, 4 warnings, 4 reprimands and 1 suspension and is now under reduction for two years from 1-4-1938. He is therefore not eligible for promotion.

3. The next senior Sub-Inspector is Mr. S. Robertson, now my Confidential Assistant.

4. I recommend that Sub-Inspector Mr. S. Robertson be appointed Inspector of Police on probation for one year, in the vacancy.

5. In place of Mr. S. Robertson, I should like as my Confidential Assistant, a suitable Short-hand Typist, and I therefore request that, as proposed in the relevant U.O. reference, Mr. Balakrishnan of your office be appointed to be a Temporary Sub-Inspector of Police for employment as confidential assistant to the Commissioner of Police, on the following terms:-

(1) That his appointment be for 3 years,

(2) that he retains a lien on his permanent post for the same period,

(3) that in the event of Retrocession, he be given the option to revert to his permanent post,

(4) that in the event of a long vacancy occurring in the Residency office, he be given the option to revert if

(5) that he be entitled to draw the pay of the next stage above his present pay in the old scale of pay Rs 75-4-115-5-150,

(6) that he be given the Special Pay of Rs 20/- per month now given to my confidential assistant,

(7) that he be given either free quarters or House Rent in lieu thereof at Rs 16/- per month.

6. As Mr. S. Robertson has had no recent experience of the work of the Divisional Police, I consider it essential that he be relieved as early as possible so that he may be posted to a Division for practical training.

I therefore request that Mr. Balakrishnan be relieved and placed at my disposal as early as possible and that his appointment as Supernumerary to my establishment be sanctioned as from date of taking over his duties until October 25th, 1939.

SIR,

I have the honour to address you on the fixation of pay of Mr. A.S. Balakrishnan who has been transferred to this office as my Confidential Assistant.

His pay in your office was Rs.74/-. Under F.R. 22, he should draw as initial pay the stage of the new time scale (75-4-115-5-150) next above the substantive pay in his old post. His pay should therefore be ordinarily fixed at Rs.75/- He will then draw Rs.75/- + Rs.20/- special pay. Total Rs.95/-. In your office, he was drawing Rs. 74/- + 10 + 15 = Rs.99/-. He will thus lose Rs.4/- by transfer to my office.

I therefore request that he may be granted a premature increment under F.R. 27 and his initial pay fixed at Rs.79/- in the old scale of Sub-Inspectors 75-4-115-5-150.

According to the original proposal Sub-Inspector Robertson was to be on training as Inspector till the 25th October 1939 and the substitute to be appointed in his place was to be given the minimum pay of the post. The sanction of the Political Department was obtained to treat Sub-Inspector Roberts as on duty during his period of training to the pay and allowances to be granted to him and to the appointment of a substitute in his place there being no delegation to the Resident under Fundamental Rules 9(6)(b) & 36.

This proposal was not however put into effect because Sub-Inspector Robertson on the outbreak of war had to proceed on military duty from the 10th September 1939. Mr.Balakrishnan, Clerk Resident's office, who was appointed in his place, was given an initial pay of Rs.79/- under Fundamental Rule 27.
